2023 Feb 20 P and C Meeting

Printed from Asana

Lachlan: 2023 Feb 20 P and C Meeting

due 20 Feb, 2023

Agenda: Designed Week : Week 5

I begin today by acknowledging the Traditional Custodians of the land on which we meet today, and pay my respects to their Elders past and present.

Welcome to the 2023 school year.

1. The College has had an enrolment increase of 30 students compared to the last census in August, which is very promising. For another year with continued growth, not many schools in Redlands are having the same experience.

New staff

- 1. We welcome several new staff to the College, Teachers, Teacher Aides, Administration Officers, and Cleaners.
- 2. Secondary staffing shortages are still challenging, but the team is working hard to resolve them. The focus is on ensuring year twelve students have access to teaching time. The team have been thinking outside the box and using study lessons, sports lessons and period 5 as interim measures to provide access to learning. This is a flexible arrangement as it is not 100% suitable for every student every day, however, provides the most coverage that we can. We had a number of staff seconded to other duties at other schools (which is a compliment to how we prepare our staff for leadership but provides a challenge backfilling them). It's been like creating a timetable from scratch and doing subject selections again. Very frustrating. We've worked without regional advisors to see if any other schools have other ideas on how to handle similar issues and at this stage, our strategies are being shared with them. The Queensland College of Teachers have shared that this is the halfway point of the shortages and reminded us that this was forecast pre-Covid. COVID made it worse. We should start seeing graduates filter into our schools throughout 2025 and 2026.
- 3. I'd like to praise Tristan's work in this area. Tristan has come from a school with incredibly complex timetabling, and I shared with our regional advisors on Friday that I felt he was one of the best people in the state to handle this transition.

Hall

- 1. If you have driven down School Road, you may notice some fencing inside the fencing!
- 2. We turn the soil on March 08, with State Member Don Brown coming for the official photo shoot. The due date is still the start of 2024.

The new Uniform Shop

- Uniform shop in the new location
- We had a lot of positive feedback on the new uniform shop.

Restorative Processes

We had a fantastic day with some of Adam Voigt's team.

The College was closed for one of the Student Free Days in January. The Administration Officers, Teacher Aides and Teachers had a full day of training and lots of eating at the Wynnum Manly Leagues Club. It was also good for morale to sit and spend quality time together.

It was a positive start to the topic, and the team felt that a lot of the ideas were common sense.

Next steps in the three-year journey /

- I have readings to share with parents.
- The Coach is visiting us early in term two to model some of her ideas.
- The Coach will also hold a parent session on the same day.

Future Reports

I am going to change the format for my reports for the rest of the year, with a focus on the Deputy Principal team giving me highlights for each of their learning phases.
