Capalaba Piranhas Amateur Swimming Club (Swim Club)- Season 2023/2024*

Swim Club Report August 2023

1. Canteen Door

Canteen serving door is completely broken now and cannot be opened or closed. Another ASANA has been lodged with the school to have fixed.

2. Computer Room Electrics

The electricals in the Computer Room are a hazard and have lodged another ASANA with the school to have fixed as to date it still hasn't been looked at. Sparks were seen coming from power points and crackling sounds of electricity sparking could be heard. We do have access to an electrician who has offered to have a look at it but waiting on the school to advise.

3. Shade Sail

School has advised the ripped shade sail will not be replaced by the department and they will look to include in next years budget if the school deems necessary.

4. Canteen Flooring

Due to be installed week of the 28th August

5. Canteen Update

Kristina Hayes has volunteered to be our Canteen Coordinator. Kristina is a qualified chef and is a great asset to the Swim Club Team. Kristina already has the Food Safety Certification that is required and through her work is currently in the process of getting it updated. A copy of the certificate has been provided to the Exec team for their records.

6. Fundraising & Donations

We continue to sell Raffle Tickets at Capalaba Sports Club on the 1st Saturday of the month. Some Saturday's are more profitable than others however the time commitment is quite minimum for the return.

EDB Training has donated \$500 to the club, to be used as we see fit for the relaunch of the season.

Vici Caplaba is donating new backstroke flags to the club. We will purchase some stock to sell at the canteen as approved in the June Budget and in return they are donating the flags.

Donut King Capalaba has donated 100 vouchers to be included in the sign on pack. Voucher is for one drink and donut for all who sign on with the Piranhas. (Yet to be picked up)

7. Welcome Pack

Using some of the fundraising money we have raised we have purchased 100 packs for the first 100 people who join and pay the fee of \$150. Pack includes a Black bag, small towel and swim cap, all branded Piranhas, Donut King Voucher. First 50 sign on's will also receive a voucher for a free pizza from Dominos

The committee has been provided with Piranhas branded Black Volunteer shirts, to be used on club nights and when selling raffle tickets and other fundraising events.

This was all approved out of cycle for the GM due to lead times.

8. Budget

A revised budget is being submitted at tonight's meeting detailing where our fundraising is planned to go and some additional start up costs which we were not aware of when the budget was submitted in June.

9. Sign on Days

3500 flyers have been dropped across CSC, St Lukes, Coolnwynpin, Alex Hills, St Anthonys, Vienna Woods & Hilliards.

Had our first online registrations come through last week.

Sign on dates have been set for the 9th & 23rd Sept 1pm – 2pm at the pool and in the Red Area on the 15th September 2.45pm - 3.30pm

A pool party will be held on the 30th September to welcome all club members.

A video was released on our page on the 9th August announcing dates.

10. Start up Sign off to Purchase

Principal's Report

Junior Campus

It's been a great start to the year for our P-2 students. Students have been working on their procedures and I have seen some interesting ingredients been put into Wombat Stew. The Prep students celebrated 100 days of learning with a fun morning of games and activities. Students are loving breakfast club on a Thursday thank you to the CAGE and MP Don Brown for his kind donation.

Interviews for prep 2024 are well underway and will continue this term.

Exciting things have been happening in Montessori with our teachers visiting Brisbane Montessori. It's great to see lifelong happening with all our staff.

Mrs Phillips has coordinated activities for all students across break times to recognise Science Week this week. Some of the options students have had the choice to participate in included making balloon rockets, sherbet, and problem solving with robotics.

Year 9 and 12:

Year 12 students have almost completed their internal assessment. Most students who study General subjects are preparing for their external examinations in term 4. Students will sit mock exams to give them feedback on their progress to date. All students have worked extremely hard this year. All students are on track to receiving their QCE and they have been highly dedicated to performing well. Some students have received perfect scores on their internal assessment. Preparation for both the formal and graduation are underway so they are all extremely excited at the moment.

Health Academy

The Health Academy on the Senior Campus allows students to study a Certificate II in Health Support Services. Students who successfully complete the course will earn 4 points towards their Year 12 QCE (equivalent to studying an entire subject). Thirteen students have successfully completed their certificate with the majority of students being in Year 10. These students can further their study by then completing a traineeship in year 11.

High Performance Sport

Our sport excellence program has achieved fantastic results this year. The following teams were Bayside District champions:

- Year 7 Girls Volleyball
- Year 7 Boys Volleyball
- Year 8 Girls Volleyball
- Year 7/8 Girls Basketball
- Year 10 Girls Volleyball
- Open Girls Basketball

Students then played at a Metropolitan level:

- Year 7 Girls Volleyball (Winners)
- Year 7/8 Basketball (Winners)
- Year 7 Boys Volleyball (2nd)
- Year 8 Girls Volleyball (2nd)
- Year 10 Girls Volleyball (to be confirmed)

· Open Girls Basketball (currently playing but have made it through to the semis)
At the Senior Schools Queensland Volleyball Cup (state competition) our senior girls came first in division 1. There are 2500 students who participate in this competition held over 3 days down at the Gold Coast. At the Junior QLD Volleyball competition the year 9 and 10 Girls team both came first in Division 1. This makes our High Performance Volleyball program one of the best in the state.

Year 12 College Captain, Hayley McDowell-White is currently the captain of the Queensland basketball team. We have been extremely fortunate to have Cassie Dover assist Mr Bowden to coach our basketball teams this year. We are very much looking forward to seeing the new stadium being built for our 2024 program.
