Treasurer Report to P&C Meeting 20/11/2023

#### General Business

#### October 2023:

- Swim Club have started using their bank accounts, refer to their report for details.
- We have lost a fence advertiser, declining to extend their contract after their 12 month contract expired.
- Father's Day stall returned a profit of \$1798.97. Many thanks to the many hands that made the Father's Day stall an enjoyable, accessible and affordable experience for our students.
- We had 2205 containers deposited direct for Containers for Change this term by Jane Catlow and the Year 3 change makers. That's \$220.50 banked! This occurred in November however I will report it here since this is the last meeting for the year. Their dedication to a clean school environment, recycling and seeing the monetary reward for their efforts is inspiring.
- The Colour Fun Run was a huge success financially. The P&L was finalised in November however I will report it here since this is the last meeting for the year, profit was \$24000.93. Costs was kept extremely low thanks to the generosity of our local Capalaba businesses and volunteer hours seeking donations and promoting the fun run in the weeks leading up to the day. We offer our gratitude for the extremely generous \$5000 donation from an anonymous college parent. Well done to everyone involved in making the Crazy Colour Fun Run memorable for our children.

#### Capalaba Piranhas Amateur Swimming Club (Swim Club)- Season 2023/2024

#### Swim Club Report November 2023

1. Canteen

Confirmation was received by the school on the 31<sup>st</sup> October to advise approval has been received for the replacement of the canteen doors and will be replaced during the Christmas Holiday. A great outcome for the Swimming Club and the School.

As Don Brown donated \$1000 toward the replacement of the canteen doors an email was sent to Don Browns office on the 31<sup>st</sup> October to explain the change and he is happy for the Swim Club Committee to decide where the \$1000 is spent and advise once this is agreed.

154-164 Mount Cotton Road Capalaba chairperson@capalabaswimmingclub.org.au 0413 608 096

#### 2. Assistant Treasurer

Nicole Griffis was elected to the position as Assistant Treasurer at the special GM held on the  $26^{th}$  October.

We are awaiting confirmation from Karensa on a suitable time to start to train Nicole on what's needed.

## Q: Any update from Karensa on when handover/training may occur with Nicole?

### 3. Bunnings BBQ

A Bunnings BBQ will be hosted by the Piranhas on the 26<sup>th</sup> November.

- Mariidale Park Bakery has committed to donating 39 loaves of bread
- IGA Alex Hills & Daniel Kemp from Aspect Property Development will be donating the sausages and onions
- At this stage the Swim Club may need to buy the drinks but am still working on donations.
- Volunteers are needed we have opened this up to our swimming families and have had one family offer to help which is great for the club. We hope to get more families involved.
- Would be great to get some more members of the P&C to donate even an hour of their time to help out on the day. If you are able to help please reach out. We are looking for some volunteers to assist during the afternoon.

## 4. Christmas Party

5<sup>th</sup> December we will be holding a Christmas Party. This is a chance for everyone to jump in the pool and have some fun and wrap up the first half of the season. We will be putting on a free BBQ to feed our families and we have some fun activities planned. Note the BBQ cost for the Christmas party was approved in the June GM. If we have any members of the P&C who would also like to come along and meet our families you are most welcome.

## 5. Andersen's Signage

We are still waiting on the graphics from Andersen's for their signage in return for the install of the new canteen floor.

#### 6. Raffle

154-164 Mount Cotton Road Capalaba chairperson@capalabaswimmingclub.org.au

We ran a raffle for the month of October all items donated by local businesses. We raised \$260 at no cost to the Club. We are currently investigating if we can get a ham, seafood or meat tray donated for a Christmas raffle.

## 7. Donations

1) A new BBQ has been donated by Daniel Kemp from Aspect Property Development.

## Q: P&C to advise what they want done with the old BBQ?

- 2) A donation has been received from Acacia Bayside Swim Club. The pack includes various swimming items (google, towel, swim cap, bag etc). Unsure at this stage on if this will be awarded as a prize for most improved or a raffle.

## 8. Wylas Trinity Starting Pistol

Since the start of the season we have not been able to get the Dolphin Start to work with the new timing system. We are currently investigating how we can get this working and have reached out to Wylas to see if there are any insights into what may be stopping it from working. If we are unable to get it working the Swim Committee has discussed and would like to use the money donated by Don Brown to purchase the Wylas Trinity Starting Pistol at a cost of \$990. By purchasing the Starting Pistol it would mean we have a complete compatible system that is new and would last years to come.

Motion: To spend \$990 from Don Browns donation to the Swim Club to purchase a Wylas Trinity Starting Pistol, on the condition that we are unable to get the current Dolphin Starter working.

# Teacher Collaboration Time

### Intention

The intention of Teacher Collaboration Time (TCT) is to have a dedicated time contained within the timetable for every teacher on the secondary campus for collaborating with their colleagues to improve student learning.

TCT is directed by school leaders and covers areas such as:

- Unit planning
- Moderation
- Professional Development
- Collaborative resource development
- Case management
- Other curriculum and pedagogy related tasks
- Data analysis
- Inquiry Cycles
- PLC's

TCT is not a time for school operational matters, as these can be covered during faculty and campus meetings.

This strategy is designed to build room to develop collective teacher efficacy, through dedicated time for teachers to work together on students and learning.

Collective teacher efficacy is the belief that teachers can more positively impact the learning of their students if they work as a team. This can be achieved by teachers working towards a collective goal of student learning through collaborating on all aspects of the teaching and learning cycle (What Is Collective Teacher Efficacy (CTE)? A Definition, 2020). Educational researcher John Hattie ranks collective teacher efficacy as one of the most influential factors related to student achievement (Hattie, 2018). The effect size of collective teacher efficacy is more than two times that of feedback and almost three times that of classroom management (Visible Learning, 2018).

#### Implementation

TCT would take the form of a single 70 min lesson allocated to a period 4 of the timetable. Students would be allowed to leave the school early on this day (at the beginning of second lunch). For parents of students in years 7 and 8 who have supervision concerns of their younger students going home, the opportunity to opt into a homework club would be provided for period 4. This would be supervised on a rotational basis by different faculties each week on a 5 week cycle. The below table indicates how this could work:

Week	Faculty
1	Humanities and HPE
2	English
3	Maths
4	Science
5	Technologies and Arts

The 5 week cycle could be structured for teachers in the following way.

Week	Focus area
1	Student supervision
2	Professional
	learning/Professional learning
	teams
3	Collaborative unit planning
4	Moderation
5	Collaborative resource
	development

### Location in the timetable

TCT would be located on during P4 on Thursday. This time is in addition to Non-contact time.

Session	Time	Monday	Tuesday	Wednesday	Thursday	Friday
	8:30am -					
FORM	8:40am					
	8:40am-	1	2	4	2	1
1	9:50am

For 2024, staff who are responsible for inter-school sports teams will travel during the TCT time on days where travel is necessary. On other days, they will fit in with the TCT roster.

#### iThrive

To support student and school culture, two to three lessons of iThrive per term will be dedicated to intra-school sports/school cultural events (i.e. house games in the lead up to sports days).
