### Capalaba Piranhas Amateur Swimming Club (Swim Club)- Season 2023/2024 Swim Club Report October 2023

#### 1. Sign On's

We have had 30 members sign up, not as many as we were hoping for but good start to a relaunch when the committee is green. We hope to see more members join throughout the season. With the left-over pizza and doughnut vouchers we will start to use some of these as weekly prizes.

#### 2. Treasurer Vacant Position

Niamh has resigned as Swim Club Treasurer and will vacate the position officially at the end of the calendar year. Karensa has kindly offered to continue supporting us until a new Treasurer is appointed.

#### 3. Assistant Treasurer Position Capalaba Amateur Swimming Club

Motion: Seeking approval to create an Assistant Treasurer position for the Capalaba Piranhas Swimming Club

Call for nominations – nominations for this position will open once approval received. Nominations closing 18th October 2023

#### 4. Capalaba Sports Club Raffles

A decision was made by the committee to cease selling raffle tickets at the Sports Club. Was a huge time commitment and were struggling to fill the role each fortnight.

#### 5. Launch Party

The Launch Party was a success, we had a good turnout, the kids had fun and the parents got to enjoy a free lunch and exhaust their kids prior to Grand Finals. Food for the BBQ was at no expense to the Swim Club as we were able to utilise a donated Coles Gift Card. Only cost was some inflatables for the pool and a refilled gas bottle. These items will be kept separate to the school's items to limit mould exposure. These items will be used again and again.

#### 6. Canteen Door

Unfortunately, the repair to the canteen door didn't go ahead. We have received a donation of \$1000 from Don Brown to put towards a replacement door. We will continue to look for opportunities to raise funds to replace both doors in the canteen.

#### 7. First Club Night

The first club night was held on the 3<sup>rd</sup> Oct, overall, it was a pretty good night. We took some learnings away from the night and will continue to tweak until we get it right. The Swim Club Committee held a debrief meeting to discuss changes we will implement from the 10<sup>th</sup> Oct.

#### 8. Stroke Correction

Stroke Correction will kick off from the 17<sup>th</sup> Oct, Bianca will focus on one stroke each week and run prior to races.

#### 9. Canteen Floor

Canteen floor was complete in August, awaiting information from Andersen's so we can get their sign printed and installed on the fence.

#### 10. Stroke Correction

Stroke Correction kicks off from Tuesday 17<sup>th</sup> Oct with a session targeted at 12.5m and a separate session following for the 25m. Bianca will rotate through the different techniques and the swimmers can choose to attend or not. An email was communicated to all families on the 12<sup>th</sup> Oct. We have received some quotes and the cheapest is by far Kmart to purchase items to assist with Stroke Correction. (Noting the school items are full of mould and will not be exposing children to this.)

#### Why it's important to wear correctly fitted footwear

1. Looking after your child's feet now will help prevent problems later in life
2. Heel pain, Knee pain and Arch pain can be prevented in children
3. Incorrectly fitted shoes (and socks) can damage growing feet
4. Young feet take up to 13 years to develop, supporting them is important
5. Footwear with insoles fitted can keep feet in a normal alignment.
