## 2024 AGM – TREASURER’S REPORT

It is with great pleasure that I report the remarkable success of our P&C in exceeding its 2023 fundraising target. This success has enabled us to invest in several impactful projects scheduled for 2024, including the Connection Corridor, Mural Artwork/Floor Paintings, and Toilet Transformations across both Junior and Senior campuses. Additionally, our commitment to the Wish List Funding program remains firm.

In 2023, significant progress was made on the Connection Corridor Project, with extensive work completed on creekline vegetation and pathway plantings, setting the stage for further development of our natural spaces. Looking ahead to 2024, we're excited to announce our plans for the installation of the first yarning circle, floor paintings on both campuses, and the initial phase of the Toilet Transformation project.

The School Colour Fun Run was our highest profiting event since our last fete. The success owing to the team of volunteers driving the event behind the scenes and the college community matching it with enthusiasm and sponsorships.

Our partnership with Community Connections for the Movie Night combined with a Disco proved to be a hit within the community, leading to a rebooking for 2024. We're thrilled to see the positive impact of such collaborative efforts.

The revival of the Capalaba Amateur Swimming Club for the 2023/2024 season was another highlight, with an outstanding signup of 56 swimmers. Their success in serving and providing for our community is truly commendable.

Our P&C and subcommittee ran more than fourteen fundraising events in 2023, many of which were executed with minimal volunteer support. Each of you volunteers should take pride in what has been achieved.

Both our Junior and Senior campuses have embraced the Wave of Change program, committing to three Containers for Change bins on each campus. Together, they have saved over 5,000 containers from landfill in term 4 alone. Congratulations you change makers!

As we reflect on these achievements, I extend my heartfelt gratitude to the executive team, our dedicated volunteers, and the entire college community. Your tireless efforts and unwavering support have made these accomplishments possible.

Tabled at the 2024 Annual General Meeting are the audited financial statements for 2023, conducted by Graeme Whyte- Principal Auditor of Metro Audit Services in Cleveland. The Financial Statements have been certified by the auditor as being true and correct without qualification.

## Capalaba State College P&C Association

### President's Annual Report 18/03/2024

Good evening. It is a privilege to be presenting the President's annual report to you all on the P&C's activities for 2023.

As I look back on the year gone by, I am in awe of the incredible individuals that up our P&C. These are individuals who make meaningful contributions enhancing our own children and other children's educational experience. It's an honour to present my third P&C President's report, and I take pride in my ongoing involvement in this fantastic community, now entering my eighth year as a dedicated P&C member.

Can I say it? Last year was big one for our P&C. Although, they all feel like big years.... we achieved over \$100,000 in income comprising from all of our operations, fundraising events, sponsorships, and donations. The School Colour Fun Run was our highest profiting event since our last fete. I'm sure we can all agree what a successful event this was thanks to the almost single-handed efforts of Nicole Nicholls. Nicole had never run an event like this, took a chance upon herself to lead and organise. Congratulations is well deserved and at this point I would like to invite Nicole to present the college with the School Colour Fun Run trophy to display in the school's trophy cabinet.

Alongside Colour Fun Run, your P&C also ran BBQs, Mothers & Father's Day Stalls, Raffles and Movie Night & Disco. All of our events are run from the heart, with efforts to make them unique and enjoyable as well as profitable to show respect to our volunteers who give up their time and effort to make them happen.

As well as fundraising, last year our P&C focused on "community" and "service" with many accomplishments and initiatives that reflect our commitment in this space. These include:

- Launching the Toilet Transformation Project, commencing on Junior Campus. Special thanks to Michelle Martin for spearheading the launch of this project, it's been on our own wish list for many years.
- Managing the operations of the Second-Hand Uniform Shop. Because of our focus on volunteer wellbeing, we took the opportunity to introduce a barcode system with the necessary hardware purchased to help streamline the tagging and sale process.
- Continuation of our own P&C grant process via the wish list funding initiative, awarding funds for: Yungaburra Reflection room supplies, hospitality and event equipment, initial SMT Shirts, Junior Library furniture and metal signage for junior common areas.
- Forming a new connection with a local Quandamooka representative from QYAC to further the incorporation of indigenous culture and education into the design of our initiatives and major projects.
- Continuation of a partnership with local signwriter Wild Web Print & Sign to assist in promoting our P&C beyond the gates of the school community.
- Maintaining regular communications with the school community through our Facebook Page, Year Level Facebook Groups and through school emails.
- Upskilling P&C volunteers through access to seminars and networking events, including P&C Qld's State Conference.
- Connecting with other P&Cs to share ideas, provide support, and improve how we do things.

Moving into 2024, we hope to continue strengthening these relationships and initiatives and build upon our role within the community both within the school and beyond.

Reflecting on 2023, also brings me to acknowledge the revival of our wonderful Capalaba Amateur Swimming Club, the Piranhas. Our swimming club is an example of our P&C bringing the community together as it welcomes all local swimmers, not just from Capalaba State College. For me, the night is a family affair, with my youngest daughter Abby having grown up at the pool almost from the day she was born, and my eldest Emma now in High School commencing with the club in Grade 1. At our 2022 AGM, it was heavy heart that Brad needed to step back from the club, meaning that the club essentially went on pause. We had hoped that absence would actually make the heart grow fonder, and someone else would step forward. This in fact did happen, just 12 months later, with wonderful volunteers – Amie, Niamh, Alisha and later on Bianca and Nicole. You are a wonderful team, you've bought back the club with excitement and the flourish of activity that it is today. And I further acknowledge Brad and the P&C Executive team for always being on call to support our newest Swim Club family of volunteers when they needed it. It isn't easy jumping into the deep end and we can all appreciate the value of lending a hand.

It would be remiss if I didn't also acknowledge our newest initiative that occurred last year which was building the relationship between the P&C and our Senior Student Management Team. I would like to thank Michelle Martin for leading the way for us in this space. At Capalaba State College, the P&C plays dual roles across our campuses. While we witness greater parent and carer engagement with our Junior families, as parents often take on active fundraising roles, our role with the Senior Campus often focuses on supporting and nurturing the leadership development of our senior student leaders. In the past year, the Executive Committee has really thought about how to best fulfil this role and what should be our direction moving forward. This has led us to start thinking about how we enrich the experience of our senior leaders through P&C community initiatives, fostering intrinsic motivation, and nurturing a sense of charity. Looking ahead to 2024, we are committed to strengthening our partnership with the SMT, supporting their initiatives, and providing opportunities to build and grow in that community space.

2024 has already been extremely busy for us all, with Junior Disco, Democracy Sausage BBQ, Come check out the new hall event, and soon Movie Night all completed before Term 1 is over. We also have set out some wonderful goals for this year that I would like to highlight:

- Launching Toilet Transformation Project campus wide, building on the momentum of Stage 1 at Junior.
- Continue the implementation of Connection Corridor initiatives including yarning circles, peace poles and explore integrating more first nations culture through totem poles and storytelling (for example, through murals).
- Focus on one main raffle for the end of the school year with a 6 – 8 week ticket sales period to maximise sales. This allows time to source donations without losing favour with our regular donors and to sales.
- Achieve Mural & Artwork outcomes through playground art and wall murals.
- Increase awareness and utilisation of the 2nd Hand Uniform shop, increasing donations and stock levels. Achieve stability of volunteers for the shop.
- Increase fence advertising revenue to cover operational expenses.
- Increased recognition of P&C volunteers in our school community.
- Increase P&C community engagement. We are lucky to be a college wide P&C, however our numbers of volunteers don't always reflect this. So, we hope to improve our profile across the college families and encourage more people to become involved.

There are countless wonderful activities that the P&C is involved in, and I cannot possibly mention them all in this report (although at times it might seem like I have). However, this is our moment to stop and express appreciation for every person who dedicates their time to planning, attending, supporting, and encouraging one another. We don't get many of those moments to truly stop, reflect and publicly say thank you.

I also want to extend my thanks to the College Staff for their support and commitment to the projects, communications, and the joint efforts to raise the profile of volunteering. Thank you to Lachlan for your patience and for going along with the special humour that comes along with volunteering. Thank you to Stuart for showing up to our events, for being a huge support of the P&C and for making us feel valued and welcome. And I feel like I should say a special thanks to Tristan about what is to come as the P&C forges forward to build that relationship with Senior Campus – so possibly thank you in advance 😊 And thank you to Carlie Freeman for looking after our many requests, for connecting us with assistance on campus, for helping us with our contractors and for working with us to improve the college experience for the students.

As we look back on the progress made during 2023, I have the final acknowledgements for my fellow P&C Executive. Special thanks to Lauren and Cassie who survived their second year of the roles and are still smiling and back for more. The dynamic with working alongside you both brings joy to our events and planning. If it wasn't for either of you, I'm not sure you would've ever seen me at a BBQ event, it only took 8 years to get me to one.

And special mention to Karensa. Karensa is stepping down from Treasurer this year. Karensa, you are loyal and fiercely passionate. Your humour and sarcasm speak to my heart, and you've left a lasting impact upon us all. I will miss working with you, and I'm sure I speak for the others to say they feel the same way. I term your departure as undergoing a sort of "Treasurer Transition Turmoil". First, there was Denial - surely Karensa couldn't be leaving us, right? Then came the Bargaining phase - but what on earth could we offer? Next, when we realised all the work she would leave us when she wasn't here (cue the sad violin music). But fear not, I think maybe we are reaching Acceptance. While we'll miss her terribly in the Treasurer role, we feel that we have made a friend for life. As a token of our appreciation, we have prepared gifts to express our gratitude for your invaluable contributions to the P&C. If we can pause my report for a moment whilst we present, you with these gifts.

It's on that note that I finish up my P&C President report.

I look forward to our continued success and our plans for 2024.

Thank you.

Cass Aldcroft P&C President Capalaba State College

## Blue Cards

### Volunteers

Volunteers need a blue card if their usual function includes or is likely to include:

- providing services at a school that are directed mainly towards children; or
- conducting activities at a school that mainly involve children.

Volunteers do not need a blue card if they are:

- a "registered teacher"; or
- a volunteer parent of a child attending the school;
- a guest of a school or "recognised body":
  - for the purpose of observing, supplying information or entertainment to 10 or more people, and
  - the activity is for 10 days or less on no more than two occasions per year, and
  - the person is unlikely to be physically present with a child without another adult being present, or
- performing the function of employment at a national or state event organised by a school or "recognised body" (operating at a state or national level):
  - for a sporting, cultural or skill based activity, and
  - the event is attended by more than 100 people, and
  - the work is for 10 days or less on no more than two occasions per year; and
  - the person is unlikely to be physically present without another adult being present.
- a child under 18 years of age volunteering (except "trainee students" undertaking a course of study with an "education provider").

Executive Committee members of a P&C Association operating an Outside School Hours Care facility must have Business Blue Cards whether they are a parent of a child at the school or not.

### Paid employees

Paid employees must have a blue card before they commence employment with the P&C.

More information on Blue cards can be found at <http://www.bluecard.qld.gov.au/index.html>

### Restricted person in restricted employment (voluntary or paid)

There are exemptions that allow certain people to work or volunteer with children without a blue or exemption card in specific circumstances, such as a parent volunteering as the school/P&C where their child is currently enrolled.

However, as an organisation or business operator, you **must not** employ or continue to employ a **restricted person**.

### Restricted person

A **restricted person** is a person who either:

- has been issued a negative notice,
- has a suspended blue card,

- is a [disqualified person](#),
- has been charged with a [disqualifying offence](#) that has not been finalised, or
- is the subject of an adverse interstate Working with Children Check decision that is in effect.

For further information, please refer to [Blue Card obligations for organisations](#) on the Blue Card Services website.

## Student Protection Activity Risk Management Plan

The Student Protection Activity Risk Management Plan records details of the risks identified for the life of the activity, their grading in terms of likelihood of occurring and seriousness of impact on the activity, initial plans for mitigating each high level risk and subsequent results. (See Template).

All Student Protection Activity Risk Management Plans need to be filed together for reference and referral when necessary. This process needs to be completed as a provision of conducting activities that involve students. Risks identified at a high level MUST be reported to the principal before the activity is approved.

## Definitions

Terminology used in this strategy is as defined in the Department's Student Protection Procedure:

[Department of Education Student Protection Procedure](#)

- A **Volunteer** is any person who is engaged for a specific purpose in an unpaid capacity.

## **CAPALABA STATE COLLEGE PARENTS & CITIZENS ASSOCIATION**

### Debit Card Procedure

Approved 22<sup>nd</sup> June 2020

#### **1. Rationale**

The purpose of this policy is to establish rules and procedures for the purchases of goods and services, approved by Capalaba State College P&C Association (P&C), with the use of a debit card. The use of debit cards replaces the practise of people using their personal funds for P&C related expenses and claiming reimbursements of those expenses. It also streamlines P&C banking practices whilst ensuring compliance with the P&C Accounting Manual.

#### **2. Responsibility**

- 2.1 The P&C Treasurer is responsible for the operation and monitoring of the cards and has authority to place on lock/hold/cancel any card suspected of being misused. Cards will have a daily maximum cumulative transaction limit of \$500.
- 2.2 A member of the Executive Committee will recommend the issuing of a card to a P&C member and will take responsibility to ensure the P&C member has read the procedures in relation to the use of the card.
- 2.3 The P&C Treasurer will conduct regular checks/reports of the card account transactions including a monthly reconciliation.
- 2.4 A "Debit Card Register", with the details of who has been issued each card, the dates that cards are received and returned, and signatures as appropriate, will be maintained by the P&C Treasurer.
- 2.5 The P&C Treasurer will review the Debit Card arrangements at least annually and confirm the continuation of arrangements, if appropriate, at the Annual General Meeting.
- 2.6 If cards are to be returned, they are to be returned directly to the P&C Treasurer and the Debit Card Register returned sheet completed.

#### **3. Debit Card Bank Account Set Up**

- 3.1 A separate bank account (with the same financial institution) is to be set up for the purpose of issuing debit cards
- 3.2 The debit cards ARE NOT to be linked to the P&C's main bank account. If a debit card is linked to the P&C's main bank account, there is a potential risk that the cardholder would have access to the entire account balance of the P&C's main account.
- 3.3 A motion is to be passed at a P&C Meeting (and recorded in the minutes) about who is authorised to be signatory to the debit card bank account.
- 3.4 To help eliminate any risk and/or fraud, each debit card is to have a daily cumulative transactional limit of no more than \$500.
- 3.5 Deposit only sufficient funds to the debit card account to cover the upcoming authorised transactions for the month (keeping the amount to only what is required and no more than \$1000).

#### **4. Obtaining a Card**

- 4.1 The P&C Treasurer is responsible for establishing card accounts and the issuance and cancellation of cards.
- 4.2 Request for cards should be forwarded to the P&C Treasurer.
- 4.3 A motion is to be passed at a P&C Meeting (and recorded in the minutes) about who is authorised to be issued the debit cards.
- 4.4 It is recommended that only one debit card be issued per committee, unless a resolution is passed at a General Meeting to authorise multiple cards with reason.

#### **5. Use of the Card**

- 5.1 The card is only permitted to be used by the nominated cardholder and not to be 'loaned' out in any circumstances.
- 5.2 The cardholder must acknowledge that they are aware of the responsibilities and restrictions placed on their use of the card prior to taking possession of the card
- 5.3 The cardholder must acknowledge they are responsible for the security of the card and must not allow it to be used by any other person.
- 5.4 Expenditure, other than urgent, unforeseen expenses, must be approved in advance by the P&C Association at a General Meeting and recorded in the minutes. Expenditure may be approved as a budget, within reason, where the exact dollar figure is unknown.
- 5.5 Urgent, unforeseen expenses must be approved by majority of the executive committee, and the decision tabled and minuted at the next P&C Association meeting.
- 5.6 Debit cards must not be used to withdraw cash, and direct debit arrangements cannot be attached to the debit card account.
- 5.7 The cardholder must not exceed their daily cumulative transactional limit of \$500.
- 5.8 If the debit card has a "PayWave" or "PayPass" facility, the cardholder will be responsible for treating the card as securely as they would cash to safeguard against unauthorised "tap and pay" transactions.
- 5.9 The card may be used for telephone/internet purchases by giving the card number over the telephone or internet after receiving prior approval for the purchase.
- 5.10 On receipt of the goods or services the cardholder is to obtain an itemised cash sales receipt or copy of the tax invoice detailing purchase made. These receipts must be submitted to the P&C Treasurer directly or via the Subcommittee Treasurer if applicable.
- 5.11 The card is NOT to be used to purchase goods for personal use.

*Note: Misuse of the card will necessitate the P&C Association taking disciplinary and/or legal action against the cardholder.*

#### **6. Lost or Stolen Cards**

- 6.1 If a debit card is lost or stolen, it is the responsibility of nominated cardholder to immediately contact CBA Bank Card Services and report it. CBA Card Services 24/7 phone number is 13 2221 or (02) 999 3283
- 6.2 Furthermore, immediate notification is to be given to P&C Treasurer, including details of the stolen or lost card

#### **7. Card Record Keeping**

- 7.1 Retain receipts for all transactions to verify and enable the monthly account reconciliation.

- 7.2 If the transaction is via the internet, a copy of the transaction must be obtained as evidence. This will allow you to keep within the total credit limit and assist in reconciliation with the online card statement.
- 7.3 The P&C audit will annually review integrity of the online card statements

## **8. Card Expense Queries**

- 8.1 Where a card user has a query on their Statement, the first contact should be with the supplier. If the supplier agrees that the charge is incorrect, or the goods have not been delivered or incorrectly delivered, they must organise for a credit to be issued. The cardholder is responsible for this enquiry and to ensure that credits, where agreed, ultimately appear on the statement.
- 8.2 Where agreement cannot be reached with the supplier, the transaction should be marked as a disputed transaction and a Disputed Transaction form, available online, completed and faxed to the CBA Bank who will take up the complaint with the supplier.

(Refer to P&C Qld Fact Sheet – Debit Cards Updated May 2019, in conjunction with the P&C Accounting Manual Version 4.2 July 2019)

---

## **CAPALABA STATE COLLEGE PARENTS & CITIZENS ASSOCIATION**

### **Additional Explanatory Notes to be read in conjunction with the Debit Card Procedure and Cardholder Agreement**

- The bank account holding the debit funds to have a maximum limit of \$1,000. This is a maximum balance only, with only sufficient funds to cover upcoming authorised transactions for the month to be transferred. This is in accordance with [P&C Qld Fact Sheet – Debit Cards \(Updated May 2019\)](#)
- Debit cards to have a maximum daily expenditure of \$500 per card per day (can be over multiple transactions). This is in accordance with [Page 23 – Debit Cards of the P&C Accounting Manual \(July 2019\)](#)
- Holding a card does not automatically authorise the cardholder to spend. All Expenses are approved either at a P&C General Meeting or by majority of the executive committee. This is in accordance with [Page 22 of Expenditure of the P&C Accounting Manual \(July 2019\)](#) AND [Part 20.7.1 - Expenditure, of the P&C Constitution for Capalaba State College](#)
- The exact dollar figure of some expenditures are not known ahead of time, e.g. swim club canteen. Instead, a budget may be known prior to season and can be approved via motion at a General Meeting. An approved budget would allow the card to be used for that purpose within that scope. Therefore, it is possible that all expected upcoming expenditures for the card are approved ahead of time, whether it be by a budgeted amount, or an actual dollar figure.
- The preference will be for one only card issued per sub-committee unless approved otherwise at a General Meeting by resolution. It is good financial practise to limit cards to only those necessary and this also reduces the monthly burden on the P&C Treasurer.
- The suggested procedure has been developed to reflect the following:
  - [Accounting Manual](#)
  - [Debit Card Guide](#)
  - Constitution

- Condition of Sale agreements are valid for 12 months from the date the contract was signed. After this date, all sold items will be paid to the seller's account and any remaining/unsold items will become the property of Capalaba State College P&C unless indicated otherwise by the seller on the consignment form.
- If the seller does not wish to donate the remaining items, the seller MUST collect them immediately, or by an agreed arranged. If still not collected within one Term, the uniform will then become the property of Capalaba State College P&C. Sellers must be notified of this at the time of making the arrangement.

### **12.1 Condition of Sale agreement**

All consignments must have a completed, signed, and dated Condition of Sale agreement. If they do not, we must contact the seller to come and complete the form. If unsuccessful then the uniform will be considered as a donation to the P&C.

Steps required:

1. Seller details to be completed in full.
2. Condition of Sale to be explained to the seller. If the form was received via the admin office and has been completed and signed by the seller- then assumption can be made that the seller is fully aware of the conditions and by signing the form, agree to them.
3. Confirmation of whether the seller would like to donate the un-sold items or collect them upon expiry.
4. Description of item, including date, size and asking price.
5. A new identification number is allocated to the seller and written in the top right hand side box.
6. The Coordinator must then add the consignment details to the Master Consignment Spreadsheet as well as emailing a copy to P&C Treasurer.
7. The agreement is then filed in the Consignment Uniform folder, with the use of plastic sleeve (a supply of sleeves can be found in the Uniform filing cabinet).

### **12.2 New Consignments**

- Condition of Sale agreement to be completed in full and signed and dated by the seller. If not dated, then the coordinator is able to do this, on the day they receive the items.
- Any garments without Condition of Sale agreement attached/provided will be treated as a donation to the P&C.
- The seller will be requested to nominate a selling price, however the nominated sale price may be altered by the P&C upon consultation with the seller, if required.
- A tag slip is to be placed on each item, containing the consignment number, item number, item description, size, and price.
- An consignment identification number is allocated, using the next unassigned consignment number located in the Consignment Number Listing. As each consignment has a separate contract of sale, a new consignment should be generated even if that person has previously or currently holds a consignment.
- Place the uniform on the clothes racks, with other like items- ready for sale.
- A copy of the consignment should be emailed to P&C Treasurer
- Each item is then written in the Consignment Uniform spreadsheet. Each tab contains each uniform type (e.g., Prep shirts, check dresses, formal shorts etc.) Select the relevant tab and write down the consignment number, size, and price.

### **12.3 Existing Consignments (Condition of Sale agreement already in place)**

- Any additional uniform brought in by the seller should be considered a NEW CONSIGNMENT and a new contract of sale completed. Follow the New Consignments process.

### **12.4 Sold Consignments**

- Items sold are identified via stocktake.
- The item is marked as SOLD in the Consignment Uniform spreadsheet. Each tab contains the consignee details and their items for sale.
- If the seller, no longer wants to continue with consignments, the Condition of Sale agreement is now ceased and the Condition of Sale agreement is provided to the P&C Treasurer for electronic filing, and the original safely destroyed.
- Should the seller continue to sell on consignment, the Condition of Sale agreement will remain valid along with their identification number.
- The P&C Treasurer will make payments per Term in accordance with stocktakes.

### **12.5 Expired Consignment (Condition of Sale agreement)**

- Condition of Sale agreements expire after 12 months from the contract date. Upon this, all sold items are paid to the seller's account and any remaining/unsold items become the property of Capalaba State College P&C (unless indicated otherwise by the seller).
- If the seller declines to donate, then they MUST collect them within an agreed timeframe (usually 2 weeks). If still not collected within by the end of the Term, the uniform will then become the property of Capalaba State College P&C. Sellers must be notified of this at the time of making the arrangement.
- The Condition of Sale agreement is then completed by the coordinator, noting whether the remaining items are to be donated or collected by seller.
- The Condition of Sale agreement is now ceased, and the Condition of Sale agreement is provided to the P&C Treasurer for electronic filing, and the original safely destroyed.

### **12.6 Donations**

Whether uniform has been donated to the P&C or provided because of expired consignment agreements- the uniform is to be assessed and determined whether appropriate to sell in the shop, or not. Each uniform must be: Current uniform CLEAN, IRONED & IN GOOD REPAIR

If the uniform is in average condition i.e., has paint stains, missing buttons, broken zips, it is up to the coordinator to determine whether it is to remain in stock at a reduced price, or placed in donation (located in the P&C room).

### **12.7 Tagging System**

All uniform, whether on consignment or donated to the P&C, are to be tagged using one of the tag slips (see enclosed). The tag slip contains information such as:

- Consignment Number (contract of sale agreement number) (if none, then P&C or PNC is to be noted)
- Item Barcode (reusable barcodes are used)
- Item Name
- Size
- Price

## **13 P&C Uniforms**

### **13.1 New P&C Uniforms**

- All garments/uniform are to be assessed and determined whether they meet the following criteria:
  - Items must be part of the CURRENT school uniform.
  - Items must be CLEAN, IRONED & IN GOOD REPAIR.
- The coordinator will nominate a selling price based on the items condition with reference to the pricing of existing stock on hand.
- A tag slip is to be placed on each item, stating P&C (or PNC) as the seller, item description, size, and price.
- Then place the uniform on the clothes racks, with other like items- ready for sale.

### **13.2 Sold P&C Uniform**

When P&C uniform is sold, it is marked as SOLD in the P&C Uniform spreadsheet. Each tab contains each uniform type (e.g., Prep shirts, check dresses, formal shorts etc.) Select the relevant tab and locate the uniform item. Record the sold date and initial of the coordinator, next to it.

## **14 Money handling and Payments**

### **14.1 Shop money handling**

A Square Terminal is used for electronic payments. Noting that in early 2023 the Uniform Shop adopted cashless operations in an effort to support volunteer workload.

- Receipts are optional and can be requested by the purchaser at the time of purchase, either via a txt message, email or printed.
- When it is time to close, the total takings are recorded for the day using sales report that can be emailed to the P&C Treasurer.

### **14.2 Consignment Payments**

When consignment uniform is sold, it is marked off the sellers tab on the Master Consignment spreadsheet.

Once a Term, items that have sold are paid out. This is to occur post Stocktake and upon review by the P&C Treasurer for verification and payment.

Discretion is given to the coordinators to authorise part payment to sellers for some items sold, particularly if the sellers are parents of the school and who will remain as consignors from prep

right up to senior level. Payment will be made with notation of the payment details recorded on their Condition of Sale agreement. It will then remain valid along with the seller's identification number.

Should the seller, no longer want to continue with their consignment, the Condition of Sale agreement now ceases, and the Condition of Sale agreement is provided to the P&C Treasurer for electronic filing, and the original safely destroyed.

## **15 Record handling**

Currently all records are kept and maintained manually in hard copy format and soft copy with consignment forms scanned and saved, and consignment details added to an electronic register. It hopeful that records can be transitioned to completely electronic in the future.

Folders have been provided with current information. These folders are:

1. **Consignment Uniform-** this folder contains all the information pertaining to Capalaba State College P&C Consignments. Items in the folder, include.
  - a. A list of all Consignment numbers#, past, present, and unallocated

## KEY GOALS & INITIATIVES 2023 Reflection

- Fundraising target of \$25,000 was exceeded.
- Our great fundraising results have been achieved through the extremely generous contributions from our school families and dedicated volunteers who stepped up to co-ordinate projects and fundraisers.
- The School Colour Fun Run was our highest profiting event since our last fete.
- Due to the unfilled position of Sponsorship and Fence Advertising Coordinator, there has not been an increase in fence advertising. We lost two clients this year. We have gained three new client signs however these are sponsorships signs in exchange for the timing system for the Swim Club.
- Increased utilisation of digital solutions, enabling the P&C to better streamline its processes, making dealings with the P&C more accessible for our school community e.g. Rafflelink for all our raffles, Square for all our events held, appointment booking system for the 2<sup>nd</sup> Hand Uniform Shop and recently, Humanitix for Movie Night.
- Introduction of a barcode scanning system in the 2<sup>nd</sup> Hand Uniform Shop to streamline tagging and selling processes.

- In progress: Increase P&C community engagement- increase average attendance at P&C meetings to 20 members, increased attendance of fundraising events
- Increased utilisation of the P&C website including events and blog posts throughout 2023.
- Continuation of a partnership with local signwriter Wild Web Print & Sign to assist on bringing in new fence advertisers and making the procedure smoother.
- Wish List (Discretionary) funding awarded to:
  - Mick Quinn for AV Equipment (Acquitted)
  - Bernadette Power for Refurbishment of Robot Battery (Acquitted)
  - Bernadette Power for New Board Games (Acquitted)
  - Amy Cahill for Yungaburra Room Supplies (yet to be Acquitted)
  - Yvonne Gee for Hospitality and Event Equipment (yet to be Acquitted)
  - Joseph Robinson for SMT Shirts (Acquitted)
  - Jasmine Quinn for Junior Library Furniture (yet to be Acquitted)
  - Stuart Houlston for Metal Signage for Jnr Common Areas (yet to be Acquitted)

#### KEY GOALS & INITIATIVES FOR 2024

- Fundraising target of \$17,760 and Grants target of \$35,000.
- Launch Toilet Transformation Project college wide to continue momentum after Stage 1 has been completed on Junior Campus.
- Continue the physical implementation of Connection Corridor initiatives including yarning circles, peace poles and explore integrating more first nations culture through totem poles and storytelling (for example, through murals).
- Focus on one main raffle for the end of the school year with a 6 – 8 week ticket sales period to maximise ticket sales. This allows time to source donations without losing favour with our regular donors and to sales.
- Continue working with the Junior Student Management Team as an important stakeholder to feed into P&C activities.
- Increase the role of the P&C in providing opportunities for the Senior SMT for charitable and community give-back and leadership opportunities.
- Re-Launch the Campus welcome booklet for new families.
- Achieve Mural & Artwork outcomes through playground art and wall murals.
- Increase awareness and utilisation of the 2<sup>nd</sup> Hand Uniform shop, increasing donations and stock levels. Achieve stability of volunteers for the shop.
- Increase fence advertising revenue to cover operational expenses.
- Increased recognition of P&C volunteers in our school community.
- Increase P&C community engagement- increase average attendance at P&C meetings to 20 members, increased attendance of fundraising events.

## Attachment 1 – Fundraising Projects 2024 – Additional Information

**"Connection Corridor"** - Fundraising Goal: \$75,000 (fundraising, sponsorships and grants)

There has been an increase in the use of outdoor spaces as an alternative to classroom learning. This has coincided with the introduction in 2020 of the Montessori classes. Current outside learning areas are now also being used by mainstream classes across both the primary and secondary campuses.

The proposed walk links senior to junior campus, with the walk to start/end from behind the Montessori classroom block where the new shed has been built and to run along the side, behind houses, towards where the current Schools Officer shed is and then follow it around to where the current forest school area is.

The walk will continue onto the senior campus ending at the car park. This is a great opportunity to plant this area up with appropriate native plants and create a safe walking area between the campuses. Students already use this area to walk between the campuses and in wet weather, the ground can become very muddy and slippery.

The Schools Officers have highlighted that it becomes hard to mow this area as it is very muddy even with a little bit of rain. Hence, planting up the area with appropriate plants, would help make this area more user friendly and cut out the need to mow some of the area that is causing an issue.

The 'walk' will have various stops along the route where you can stop and:

- use the space as an outdoor classroom – seating of some sort eg. wooden stumps or sandstone
- have various Aboriginal and Torres Strait Islander artworks integrated throughout the walk
- enjoy a sensory garden area
- play musical instruments made of natural materials
- free play in areas (e.g. building cubbies)
- safeguard areas that are left 'natural' and allow for weeding and regeneration and revegetation work only
- provide a reflective area for artwork; reading; quiet work; meditation etc
- highlight seasonal sections for the vegetation
- prepare food in an outdoor working kitchen / wood working shed
- host a yarnning circle in an undercover gazebo

## **CAPALABA STATE COLLEGE PARENTS & CITIZENS ASSOCIATION**

**"Mural Artwork"** - Fundraising Goal: \$30,000 (fundraising, grants and volunteer time)

Both the Junior Campus Student Management Committee and the P&C Fundraising Working Group have separately expressed interest in working towards painting murals on the grounds of the junior campus [\(walls\)](#). It is suggested both groups work together towards this common goal. Discussions have occurred with the Junior Campus Principal who is keen to work together, creating a linkage between the P&C Fundraising Activities and the goals of the students. Some finer scoping refinements required for example the relocation of the junior yarning circle gives the opportunity for a new mural. Need to decide which mural/s to start with. Aim to complete mural project 2024 starting with the Gambling Community Benefit fund application.

The motivation behind the murals would be a symbol of connectivity between the students, school and the wider school community; and to inspire students. Mural artworks invite bland and underutilised space within school grounds to be transformed into active and inviting places for both learning and play. The joint venture would be one where the students are actively involved in the planning and execution of the work, leveraging the ideas and values of the wider community and the skills of the P&C volunteers (i.e. artistic skills, obtaining funding / donations).

Playground floor paintings/stencils was requested by 2022 Junior Campus Principal. Eight stencils will be installed over the Easter school holidays, weather pending, including the college logo on both junior and senior campuses.

**"Toilet Transformation Project"** - Fundraising Goal: \$10,000 (fundraising, grants and volunteer time)

Research conducted by Enlighten Education has shown that school toilets that are not clean, pleasant, and safe can impact children's short and long-term physical and mental health, as well as their learning outcomes.

The impact of poor design, maintenance and sanitation can cause a range of problems for students such as:

- Sub-standard toilets (with inadequate cleaning schedules) are making children feel they are not respected or valued at school.
- Poor sanitation, along with restricted access, is creating health problems.
- The poor condition of school toilets is deterring children from drinking sufficient water during the day (to avoid having to urinate). The associated dehydration is impacting on concentration and learning.
- School toilets are being used as a site for hiding out, crying, self-harm and suicide.
- Lack of privacy in school bathrooms is associated with misbehaviour.

Feedback from parents and children at the school identifies that students are unhappy with the current toilet situation. This results in them 'holding on', drinking less water, being

## CAPALABA STATE COLLEGE PARENTS & CITIZENS ASSOCIATION

unable to focus in class because they need to go, bringing illnesses home more easily, and being anxious about going to the toilet at school.

Our Toilet Transformation Project aims for students to work together to keep clean, friendly toilet spaces allowing them to feel comfortable and happy to go to the toilet at school. The project can consist of student, parent and staff collaboration, perhaps even a design competition, redecorating the toilets to make them fun, vibrant and inviting.

P&C will provide project management. Students will need to have ownership over the change and will be the main body leading the design with assistance from the College and the P&C. Students and parents will be invited to volunteer to help with the practical work of painting or fundraising with local businesses. Already a number of parents are keen to support the initiative in whichever way they can to improve the situation for their children.

Timeline – ***This will need to be revised by the Project Manager.***

Stage 1 – Junior Campus Working Bee (two days of scrubbing, cleaning, sweeping, and painting)

Stage 2 – Project Manager to confirm the following

Further scoping the project on how to improve the toilets on both senior and junior campus.

Student engagement College approved – May 2024

College to pull together student design committees – June 2024

Student design committee meetings – July-August 2024

Design Activities to occur during Term 3 – finalise a few weeks before Term 3 finishes 2024

P&C to assist with concept design, donations and sponsorship – Finalise early Term 3 2024

Stage 2 Working Bee to take place – propose Term 4 school holidays 2024

Projects like this are taking place all over the country, in recognition of the important role a clean, inviting toilet space plays on the education of our children.
