## Treasurer Report to P&C Meeting 16/06/2025

### General Business

#### May 2025:

- ❖ May was a busier month for fundraising at the P and C, and thanks to our amazing volunteers and community we had a couple of successful events .
- ❖ The Election day BBQ was held and saw a profit of \$1,824.13 with 10% going to General funds for P&C and the remaining going to Major Projects and wish list funding. The day was a great success thank to our amazing volunteers who give their time up to help us raise money.
- ❖ The mothers day stall was run a little differently this year, in part due to the lack of volunteer availability to run the stall during class times. And in part because we wanted to try something a little different in giving the students an event to spend time with their mums. The event was a great success with students and mums enjoying a lovely morning of connection. With the 'coffee, cake and connection' event bringing in \$250, this is a great result of approximately 38 mothers in attendance with their children. The mothers day stall and event saw a profit of \$1,142.90 with 10% going to General funds for P&C and the remaining going to the connection corridor funds.
- ❖ We were able to finally purchase the new clothing racks for the second hand uniform shop and they work very well and look fantastic.

## Capalaba Piranhas Amateur Swimming Club (Swim Club) - June Report 2025

### 1. Mural

Four quotes have been received for the mural and circulated as part of this June Report.

#### [School Murals — The Sauce Studio](#)

\$1540+gst (inclusive of Graffiti Polyurethane Coating)

Christian is available to complete the works prior to September, he does not rely on a projector to trace up the artwork, instead uses old school techniques used in Sign Writing where he boxes it up and is full freehand. Christian already has a School Provider number and has recently done work at Alex Hills School. Swim Club Exec Committee's recommendation is to proceed with Christian.

#### Discussion

Does the P&C have any funds available in their Mural Budget to split the cost 50/50 with Swim Club?

**Motion:** Approval to proceed with the Swim Club Committee's preference of the full wall mural and appoint Christian from The Sauce Studio to complete the mural. Mural to include the full text of the logo.

**Motion:** Approve to spend \$1540 plus GST to have the mural completed (or 50/50 split with P&C)

### 2. Grill'd Local Matters

Our Jar was put in Grill'd Carindale during the month of May, we came runner up and have \$100 coming our way.

# Capalaba Piranhas

## Amateur Swimming Club

### 3. Athletics Day BBQ

Donations received as follows to cover the cost of the BBQ;

1. \$50 Golden Circle Gift Card
2. \$100 Suzie Tafolo
3. \$200 Russell Fields office

We will not purchase food etc until we know if Athletics Day is going ahead following all of the rain. Coffee Van has been booked and we have Michaela doing weekly posts to remind Parents we will be there.

### 4. Swim Club's Wishlist

Swim Club's Wishlist for consideration for the GCBF. Discussions had via email circulation. Carlie has noted when the repairs will occur. It was suggested that the Pool Heating be funded by the P&C, invoice included in this report.

1. Pool Resurface including surface around pool – Central Office Infrastructure Project
2. Grand Stand Replace/Repair - Central Office Infrastructure Project
3. Pool Heating – donation from P&C
4. Everything needs a paint/rust repair – College planned maintenance 2026/27
5. New Roller Door to computer room – College planned maintenance 2026/27
6. Ceiling for computer room – College Minor Works future project to be planned for 2026/27
7. Toilets (don't know what but they are a disgrace) replace toilet seats as a min and have someone fully clean them. - Central Office Infrastructure Project
8. Podium Blocks – Swim Club will look to purchase or find a donation
9. Storage for training equipment – Swim Club will look to purchase or find a donation
10. Gernie / Blower – Swim Club will look to purchase or find a donation
11. New fencing to match school fencing including - College Minor Works future project to be planned for 2026/27

### Discussion

Keen to understand what is involved in the "Future Project to be planned for in 2026/2027" and "Central Office Infrastructure Project"? Are these things going to happen or is it blue sky thinking?

### Art Classes at Redlands Art School

#### Approx Mural Options:

- **Option 1:** Full-wall mural featuring the Piranha and water imagery only – **\$2,750 + GST**
- **Option 2:** Full-wall mural including the image plus red lettering for “CAPALABA” – **\$3,150 + GST**
- **Optional Add-On:** Protective topcoat for increased durability and UV protection – **\$220 + GST**

#### Timing:

We currently have availability to complete the mural in either **July or August**, depending on your preference.

#### Logo Text Consideration:

As your logo includes specific black text at the bottom, we recommend outsourcing a custom stencil to match your exact font style. We’re happy to arrange a quote for this and incorporate it into the final cost if desired.

#### Alternative Scale Option:

If you'd prefer a smaller-scale approach, you might consider a standard sign panel (approx. 1.1m x 1.3m) installed on the top half of the wall. While it offers less visual impact, it's a more compact and potentially cost-effective option. Alternatively, the top half of the wall could be used creatively—featuring the water background across the width, with the Piranha image centrally positioned for strong visual appeal.
