Overall Financial position of Association (sum of all P&C accounts)

- As at 30th June 2025: **\$98,708.24**

Approved Expenses for the June Period

- *Nil to Report.*

Capalaba Piranhas Amateur Swimming Club

Capalaba Piranhas Amateur Swimming Club (Swim Club) - July Report 2025

1. Mural

At the time of writing this report the Mural was due to be completed on the 14th & 15th July. Looking forward to seeing new pop of colour at the school and an eye-catching logo to promote the club.

2. Athletics Day BBQ

Held on the 19th June we had a hugely successful day. The change in location certainly made a difference and we had plenty of families enjoying our menu. Total Sales of \$1632.50 which was largely profit due to the donations received. We did run out of snags and had to do another run on the day. I have committed to Anna that we would do it all again next year.

A massive thank you to everyone who came along and was able to help out on the day or even support us by buying something delicious from the menu. BBQ's do take a lot of preplanning and manpower on the day and it certainly doesn't go unnoticed.

3. Redlands RSL Community Grant Application

Grant application was submitted on the 8th July for some additional equipment the committee had put forward for the new season. Within the application the cost for a replacement door for the Swim Club Computer room was also included as a second priority. We will not know until late August if we are successful.

Colour Fun Run

Colour Fun Run is about to Ramp Up. Meetings with teachers to get them onboard and flyers starting to be sent home. We have a huge goal if we want to heat this pool and will need help in building the excitement around the colour fun run. More supplies will be shipped as we are now including the Senior Campus, Senior was not included in the initial numbers submitted to Fundraising Australia.

The Fire Brigade no longer assists with these types of events due to risks. I propose we purchase 3 Fun Inflatable Sprinklers. These can be used for future Colour Fun Runs or even loaned out to other local schools. This will replace the need for carting buckets and making sure we have buckets filled throughout the day for each run. Instead adding more excitement for the children. Based on the following we could purchase 3 "Huge" Inflatables at a cost of \$386.95. An upfront cost from the P&C but deducted from the overall fundraising to repay the P&C with remaining funds going towards Heating the Pool and other Pool Improvements. I do not anticipate any other costs associated with the Colour Fun Run as all prizes have been donated.

Capalaba Piranhas

Amateur Swimming Club

Motion: Purchase the following 3 Inflatables to be used for the Colour Fun Run and kept for future events. Items to be paid for by the P&C and repaid following the fundraiser. At a total cost of \$386.95
